earning \$27 / hour to start

**What is the Aseptic Manufacturing Program?**

This program prepares graduates with workplace and technical skills to be successful in the life science industry.

Through this program, graduates will be prepared to connect to Aseptic Manufacturing Technician roles with Iovance Biotherapeutics where they will support the production of cell therapies to treat disease.

**In this program, we offer:**

- Cutting-edge job connection strategies resulting in 93% of graduates finding employment
- A \$150 weekly stipend while in training
- \$15/hour during the on-the-job training experience
- A college-adapted course to provide participants with a foundation in life sciences at Community College of Philadelphia
- For select candidates, the opportunity to interview for open roles starting at \$27/hour at Iovance Biotherapeutics, Inc., based in the Navy Yard.
