

RECRUITING ACROSS ALL PHILADELPHIA ZIP CODES

for the

WELDER B PROGRAM

at

HANWHA PHILLY SHIPYARD

Technical Training Program:

4/20/2026 – 7/30/2026

What is the Welder B Program?

The Welder B program was designed to prepare jobseekers with the skills and knowledge needed to excel as welders at Hanwha Philly Shipyard's industrial shipbuilding site located at the Navy Yard. Program participants will actively engage in comprehensive training, which includes 2 weeks of professional development, 4 weeks of classroom instruction on ship orientation and shop math, and 8 weeks of hands-on welding training. We are seeking individuals who are dependable, collaborative, and detail-oriented, with a verifiable welding program certification or at least 3 years of welding experience.

In this program, we offer:

- Cutting-edge job connection strategies resulting in 93% of graduates finding employment
- A \$150 weekly stipend while in professional development and shipbuilding coursework
- \$300 weekly stipend during welding training

Eligibility Requirements

To be considered, all applicants for the Welder B Program must have 3 years of welding experience OR a verifiable welding program certification.
