

RECRUITING ACROSS ALL PHILADELPHIA ZIP CODES

for the

WELDER TRAINING PROGRAM

at

HANWHA PHILLY SHIPYARD

Have at least one year of professional welding experience? Get specialized training to advance your welding career.

Program dates: Mon, Aug. 31 - Thurs, Dec. 3, 2026

This Program Offers:

- Opportunity to earn a full-time Welder position at HPSI starting at \$26/hour based on experience
- Competitive benefits for full-time employees
- A \$150 weekly stipend during the first six weeks and a \$300 weekly stipend during the eight weeks of technical training
- Proven job placement support, with 90% of graduates securing employment

We're seeking dependable, collaborative, and detail-oriented individuals who are ready to build their future in the shipbuilding industry.

Eligibility Requirements:

- At least one year of professional welding experience
- Philadelphia resident
- High school diploma or GED

If you're ready to build your skills and launch your career in shipbuilding, we encourage you to apply. We look forward to reviewing your application!
